Introduction

Dear Future Member,

Are you tired of always trying to make ends meet?

Are you tired of hearing about a friend of a friend who made a pile of money just because they were at the right place at the right time? Legitimate opportunities really do exist out there, and we are pleased to introduce to you a home-based business that has been in the works for the past 7 years. The Late Ronald C. Mashal, a veteran in the Marketing field, founded World Light Funding 7 years ago. World Light's goal is simple... to help out as many people in need as possible. One of the key features of our System is our Charity Program... We are committed to donating the equivalent of 10% of our Member's earnings to a non-profit organization that each Member chooses to support. The Marketing Plan is so unique, so incredibly simple and yet has such great earning potential that World Light has obtained Copyright and Patent Pending Protection in 136 countries.

We are proud to reward our members with access to outstanding products from different e-literature resources. World Light Members are also able to resell many of the ebooks in the back-office of the website after purchasing a membership. They are some of the best informational products in the world and include the categories "Marketing, Internet Marketing, Computer and Internet, List-Building, Internet Auctions, Real Estate, Tutorials" and even a "Recipes" category (for those of you who love to cook – some of the best recipe e-books available).

Many of the e-books have resale rights included with them and can be sold for 100% Profits! Others are only provided because of the extremely valuable information contained inside each one of them.

We are very proud of the Program that we have worked on for several years and we are excited to announce that our recent launch has not only sparked interest in the USA and Canada, but in Europe and other parts of the world as well! Experienced Marketers won't need more than a second glance to see that this is going to be big... and being offered an early entry into something this big is not an opportunity to be missed!

The system contains two (2) separate and paralleling straight lines each Providing 100% Spillover! The first is the "Stages" and the other is the "Option" (the Option Entry puts you in both of the lines for full benefits of both compensation lines).

<>"Stages" Entry starts with a Jumping Stage Entry for \$59 and includes a free website and back-office with various e-book literature. (PLUS - 100% SPILLOVER)

<>"Option" Entry gives you a Jumping Stage Entry into the Stages plus an entry into the Option Line for \$347 - includes even more e-book literature than the "Stages" Entry. (Again - 100% SPILLOVER)

The STAGES

“JS” or Jumping Stage

“JS” is a 7 X 1 straight-line matrix that is the entry level for all new members to the marketing plan. The cost to join is a one-time membership fee of \$59.00USD, and members may join as many times as they wish. New members will automatically get access to their own personalized World Light Web page that they can use to refer new people to their organization. Although the same member may join multiple times, only one personalized web page will be assigned per member. All new members are placed in the first available spot in the matrix regardless of who referred them to the program. The JS is split up into 2 Phases:

Phase 1:

7 X 1 straight line with a total volume of \$413.00USD (7 x \$59)

Once seven other members join the JS behind you, regardless of whom their referrer is, they will fill in the 7 spots allowing you to complete Phase 1.

You will earn:

- 5% Passive Commission of the Total Volume of \$413.00 = \$20.65

Phase 2:

In order to complete Phase 2, each of your seven Phase 1 downline members must each accumulate their own seven members who've joined the JS behind them. As each one of those seven members completes their Phase 1, you will earn:

- 2.5% Passive Commission on the volume of each of your seven downline members paid to you as soon as each completes their Phase 1, earning you \$10.33 per member.
- Total earned once all seven complete their Phase 1: 7 X \$10.33 = \$72.31
- Total Passive Commission earned for Phase 1 & 2: \$92.96
- 1 BBC re-entry to the JS for each of your seven members that complete their Phase 1, totaling 7 re-entries to the JS (worth \$413.00)
- 1 BBC Entry to the CS for each of your seven members that complete their Phase 1, totaling 7 entries to the CS. (worth \$840.00)

Members can earn an interesting amount of Passive Commission without ever having to personally refer anyone to the program. However, they will quickly see the enormous earning potential of the system's powerful Matching Bonus feature, which kicks in as soon as a new member personally refers just 3 new members! A little bit of effort pays off in a huge way!

Bonus Business Centers

One of the most exciting features of the program is the opportunity to replicate yourself over and over. This is accomplished by assigning you Bonus Business Centers, or BBC's every time you complete one of the 4 main stages. BBC's are considered to be paid centers, and place you back in the first available spot in the corresponding stage, allowing you to multiply your earnings every time you return. Each one of your BBC's cycles through the Stages earning a multiple amount of brand new BBC's every time the Jumping, Consultant, Manager and Director Stages are completed. In turn, those new BBC's cycle through, earning even more Bonus Business Centers. It's a snowball effect that keeps growing and earning! Your earned BBC's keep revolving until the 3rd Cycle of each of the main stages (JS,CS, MS, DS) is completed. The definition of a completed Cycle is when both Phase 1 & 2 (See JS Chart) of one of the main stages is completed. A Cycle is completed with a combination of personally referred members (direct sales), and earned BBC's filling up all the available spots in that Stage. Since BBC's are placed in the first available spot in the matrix, regardless of whom the referrer is, all the gaps get filled and slowdowns are eliminated! No one will ever hold anyone back, and the system will grow at an incredible rate! The matrix literally feeds itself! With all the new members joining, and all their perpetually accumulating BBC's, the earning potential is absolutely phenomenal!

BBC Power !

The normal progression of the system without taking into account any of the earned BBC's is the following: Every time 56 positions are filled in any of the stages, 1 member completes a cycle in that stage. This is typical of many programs out in the marketplace today.

Where World Light's system shines is the incredible power of its earned BBC's. For instance, upon completion of the JS, you will end up with 7 free BBC entries to the CS, and 7 BBC re-entries directly back into the JS! Upon completion of either the MS or the DS, you will end up with 7 BBC re-entries back into the CS, 7 BBC re-entries to the MS and 7 BBC re-entries to the DS ! That's the equivalent of joining the system from scratch at the JS level and paying \$59.00USD 7 times, which would cost \$413.00! With every single member capable of earning that many BBC's, just imagine how fast the system moves along! As it gets bigger, it gets bigger faster exponentially!

Copyright and Patent Pending

With a system this unique, World Light has protected itself and its own members by obtaining Copyright and Patent Pending protection in 136 countries. The protection extends to any numbered variations of the basic multiple Bonus Business Center (free position) structure. No one is able to, legally, copy the outstanding and irresistible program that has been created in WORLD LIGHT!

“CS” Consultant Stage

CS is a 7X1 straight line forced matrix, which is split up in 2 phases.

The entry value of the CS is \$120.00USD.

You will earn:

- 5% Passive Commission of the Total Volume of \$840.00 = \$42.00

Phase 2:

In order to complete Phase 2, each of your seven Phase 1 downline members must each accumulate their own seven members who've followed them from the JS. As each one of those seven members completes their Phase 1, you will earn:

 - 1 Automatic Entry to the last main stage, the DS or Director's Stage worth \$500.00

“MS” Manager’s Stage

MS is a 7X1 straight line forced matrix, which is split up in 2 phases.

The entry value of the MS is \$250.00USD.

Phase 1:

7 X 1 straight line with a total volume of \$1750.00USD (7 x \$250)

Once seven other members follow you from the CS, regardless of whom their referrer is, they will fill in the 7 spots allowing you to complete Phase 1.

You will earn:

- 5% Passive Commission of the Total Volume of \$1750.00 = \$87.50

- Total earned once all seven complete their Phase 1: 7 X \$43.75 = \$306.25
- Total Passive Commission earned for Phase 1 & 2: \$393.75

- 1 BBC re-entry to the DS for each of your seven members that complete their Phase 1, totaling 7 entries to the DS. (worth \$3500.00)

“DS” Director’s Stage

DS is a 7X1 straight line forced matrix, which is split up in 2 phases.

The entry value of the DS is \$500.00USD.

Phase 1:

7 X 1 straight line with a total volume of \$3500.00USD (7 x \$500)

Once seven other members follow you from the CS, regardless of whom their referrer is, they will fill in the 7 spots allowing you to complete Phase 1.

You will earn:

- 5% Passive Commission of the Total Volume of \$3500.00 = \$175.00

Phase 2:

In order to complete Phase 2, each of your seven Phase 1 downlink members must each accumulate their own seven members who’ve followed them from the CS. As each one of those seven members completes their Phase 1, you will earn:

Payment Schedule

Member earnings are accumulated each calendar month and are paid on the date selected each month by that member. Members earn commission every time Phase 1 or Phase 2 of any of the Main Stages are completed. Commissions are also paid when each member’s Option Entry triples. Commission is not recurring... as a new Phase is completed, additional commission is earned. Matching Bonuses accumulated throughout each calendar month will be paid at the same time as the Passive Commission. The pay will include the Passive and Matching Pay also...read on...

MODEL OF A COMPLETED CYCLE

The chart below shows a completed Cycle for the JS, CS, MS or DS Stages. The diagram begins with YOU as you are entering the JS Stage. Phase #1 is comprised of the 7 new Members that follow YOU into the JS Stage. Phase #2 begins when each of your 7 Members completes their own Phase #1 with new members following them into the JS, filling in all the spots in the Straight Line Matrix. Members flowing into the JS will be a combination of new Members, and of BBC's, allowing for a fast, uninterrupted completion of the Cycle. (Follow the numbers straight line on this chart...)

MULTI-UP System

This incredible marketing feature makes the system absolutely dynamite! The first 2 personally referred sales that a new member makes are actually Passed Up to the member that referred them to the program. Those 2 members become Indirect Sales for the referrer. After those first 2 members (which you passed up to your referrer), all new referrals that you personally make (Direct Sales) will Pass Up their first 2 sales to you, which makes you the referrer for those new indirect downline members. Once those new downline members start referring new people, guess who gets each of their first 2 sales? YOU!

THE POWER OF THE MULTI-UP SYSTEM

THE SECRET BEHIND THE INCREDIBLE MATCHING BONUS PLAN

(This does not apply to the Option Line; only the Jumping thru Director Stages Line)

When you come into the program, the computer is looking for your first 2 referrals and will pass them up to your qualified sponsor. (If your enroller is already qualified, then you will stay under them and they will match what you make passively – see page 8. If they are not yet qualified, then you will be passed up to their qualified sponsor for matching – either way, that doesn't affect YOUR PAY!)

Although this is hard to draw two-dimensionally, it is best explained like this...

Let's say your first two signups (after joining) are Nancy and Nathan. Nancy and Nathan are rolled up to your qualified sponsor and your sponsor is matching You, Nancy and Nathan.

You Now Qualify For Matching Bonus Pay.

Now YOU sign up Adam. YOU get Adam and the computer will roll Adam's first two up to you...

YOU
↑ ↑

Adam signs up → Bill & Beth and both of them are sent up to you for matching pay!

YOU
↑ ↑

YOU
↑ ↑

Now Bill signs up → Conner & Cory and Beth signs up → Cary & Cindy AND all four of these are passed up to you for matching pay! (Then each of those four will give you two each!)

At this time you are matching Adam, Bill & Beth, Conner & Cory & Cary & Cindy 50% of their pay!

This goes to infinity! You see, the last four (Conner, Cory, Cary and Cindy) will pass you their first two sign ups EACH. That will move eight (8) new people up to you for matching pay! (Now you are matching 15 people total.)

Then the last eight that were moved up to you will send you 16 people to match pay! Then 32, then 64, and so on! Just Imagine! (Multiply all of this by the chart on page eight – the passive pay!)

When Adam first signed up Bill & Beth, that qualified Adam for matching pay – you will always match Adam, nevertheless, he will not pass up any more...just Bill & Beth. Then Bill and Beth, each, gives you two which equals four. Then those four, each, gives you two which equals eight. The eight give you 16 and the 16 give you 32 and the 32 give you 64...128...256...to infinity! Everyone that you sign up will owe you 2, who owe you 4, who owe you 8, who owe you 16, who owe you 32 etc...

This will create an explosive income to anyone that gets other people involved. This is an explosive system that goes on and on to infinity!

Matching Bonus

Members who don't personally refer any new members to the system can still earn an impressive amount of passive commission as well as accumulate Bonus Business Centers upon completion of each of the main stages (up to the 3rd Cycle). In order to qualify for Matching Bonuses, a member must personally refer a minimum of 3 new members to the system. Members who qualify can earn up to 100% Matching Bonuses on all the passive commission earned by their direct and indirect downline members! Once you've referred your first 3 members, the first 2 are passed up to your own Referrer.

The third member that you've referred becomes your first Direct Sale, and now you are qualified to receive a 50% Matching Bonus on all passive commission earned by your Direct and Indirect members as they progress through to their 3rd Cycle of each of the Main Stages.

From this point on, all personally referred members are considered to be Direct Sales, and there is no limit as to how many you may refer. Now, once all your direct members refer their 1st & 2nd sales to you, which become your Indirect members, and those Indirect members also pass up their 1st & 2nd sale to you, the earning momentum really begins to pick up. As the number of all your Direct & Indirect members begins to mushroom, your Matching Bonus will increase according to the following chart:

Accumulate 3 – 39 Direct or Indirect Sales, your Matching Bonus amounts to 50% of their passive commission

Accumulate 40 – 99 Direct or Indirect Sales, your Matching Bonus amounts to 75% of their passive commission

- Beginning with your following Cycle, you will earn a 75% Matching Bonus on all passive commission earned by members 3 – 99

Accumulate 100 + Direct or Indirect Sales, your Matching Bonus amounts to 100% of their passive commission

- Beginning with your following Cycle, you will earn a 100% Matching Bonus on all passive commission earned by all members, 3 through 100+

Although Matching Bonuses end after a member completes their 3rd Cycle (see chart page #8), the earning never stops! Thanks to the Multi-Up system, there will always be a constant flow of new Direct & Indirect members from whom you can earn Matching Bonuses.

The OPTION ENTRY

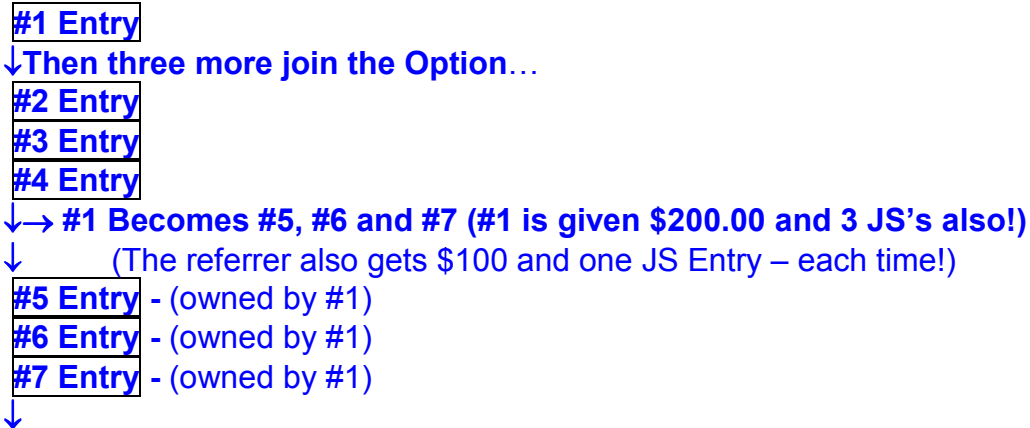

This Includes The Jumping Stage AND The “OPTION” Line Entry Also!

(You will get a Jumping Stage Entry and an Option Entry)

The OPTION is another separate – individual paralleling straight line matrix!

The Option Entry will “Triple” upon each three paying Option Entries that enter the line. It is based on “three’s”...

Let’s look at the line.

Entry numbers 2, 3 and 4 will triple #1 Entry - #1 gets \$200.00 and gets three (3) Option Entries back in (becoming numbers 5, 6 & 7 Options) and gets three (3) JS’s (Jumping Stage) Entries back in the first (“Stages”) line!

This “Triple” Effect will happen a total of Seven (7) times! The referrer will also be compensated through each of those times that #1 Triples! Each time, the referrer will get \$100 and a JS Entry also!

This chart explains the flow and the payout:

| <u>Triple Number</u> | <u>Re-entries (into Option and JS)</u> | <u>Payout</u> |
|--|--|---|
| 1 | 3 | \$200.00 |
| 2 | 9 | \$600.00 |
| 3 | 27 | \$1800.00 |
| 4 | 81 | \$5,400.00 |
| 5 | 243 | \$16,200.00 |
| 6 | 729 | \$48,600.00 |
| 7 | <u>2,187</u> | \$145,800.00 |
| When Those 2,187 Triple = <u>\$437,400.00</u> | | |
| (Total JS and Option Re-entries = 3,279) | | \$656,000.00 (Total Option Payout) |
| (Referrer gets 1,093 JS Entries) | | (Referrer’s total = \$328,000.00) |

Charity Program

Decades of prosperity have done little to advance the causes of the sick and needy around the Globe. The founders of World Light International have decided to do their share. Out of it's own operating budget, World Light International will donate the equivalent of (10%) ten percent of our Members earned commission to a **NON PROFIT MEDICAL OR HUMANITARIAN ORGANIZATION**.

All we ask of our new Members is to choose the Organization they would like to support out of a selected list of Charities. Members can enjoy the personal satisfaction of knowing that their success is benefiting those in need around the Globe.

It's a very simple system. As part of the completed Application Form, new members will be asked to choose one (1) of the selected Non Profit Organizations, which will then be added to the Member's Profile.

Using a round number for our example, if earnings for a given month total \$1000.00, a check for that amount will be issued and mailed directly to the Member. At the same time, a second check for \$100.00 or 10%, will be issued and mailed directly to the Non Profit Organization indicated in the Member's Profile.
